(Abstract available)

DESCRIPTORS: *Scientific personnel, *Directories,
Great Britain.

Alphabetically lists all graduates engaged in scientific
work in Britain. Their addresses, telephone numbers,
full particulars of their degrees and subsequent
appointments are given, as well as the titles of their
more important publications. In addition to this main
list, the Directory also includes some 36 secondary
lists, classifying the graduates according to the
spheres of scientific work in which they are engaged,
and a list of scientific societies. (Publisher's note)
